WELCOME TO THE 2021 OREGON TRAIL SALE!

We are excited to be taking the Fey Ranch Sale torch from Daniel and Angelina Fey. The Oregon Trail Longhorn Sale is moving just 20 minutes away from the Fey's to our ranch in Dundee, Oregon. We want to welcome you for a weekend of fun, friendship and of course, longhorns!

Scott & Amelia

Friday afternoon from 9:30 am – 2:30 pm we will be offering a relaxing wine tasting social through wine country. Friday at 4:30 pm we will be hosting the Futurity of the West, featuring the best heifers and bulls the West Coast has to offer! Directly afterwards we will be hosting our Social and Dinner providing a great opportunity to meet with other longhorn breeders from across the country.

Saturday is another big day starting with cattle viewing at 7:00 am and the Oregon Trail Longhorn Sale at 10:00 am. Our consignors have reached deep into their herds to bring you some of their best cattle. Their breeding programs cover territory from California to Washington, and from Oregon through Utah all the way out to Indiana, Kansas and Texas. Please take a look at these wonderful offerings, bid often and take some amazing longhorns home! Cattle hauling is available in all directions.

INTERNET VIEWING AND BIDDING courtesy of Hired Hand Live. Go to www.HiredHandLive.com and follow the prompts to either log in (if you've used our system before) or become a registered bidder. We recommend using the internet browsers Chrome or Firefox, not Safari. Bidders are required to register for each sale they wish to participate in. Viewers are not. A credit card is required for online verification but will NOT be billed. Upon notification that you've placed a winning bid on an animal the sale will invoice you with mailing instructions for payments by check, wire transfer or money order. You can place absentee and max bids if you are unable to be online live during the sale. These bids are NOT seen by anyone other than Hired Hand staff and are placed automatically for you by our system to purchase the animal at the lowest price possible for you. To also join Hired Hand's Mobile Marketing List and receive updates of sale prices and buyers, please text "2244.website" to the number 77984. There is no fee to participate and no buyer's premium. Buyers are responsible for coordinating their own hauling. All terms and conditions listed in the sale catalog apply to on-line bidding. Contact Molly Clubb, Hired Hand Software, for additional assistance at 319.269.8903 or molly@hiredhandsoftware.com

SPONSORS

DANIEL & ANGELINA FEY • FEY LONGHORNS

Swiss Native Daniel and 4th generation Oregonian Angelina have been raising registered Longhorns in Yamhill, Oregon for over 20 years. Their breeding program targets the complete package cow with big, twisty horns, eye-catching color, mid-size body, milking ability and calm disposition. All of their foundation cows are direct offspring of the top bulls in the industry. Not only have Fey Longhorns sold in auctions across the U.S. over the years, but Daniel and Angelina had also been organizing their own sale between 2011 and 2019 (known as the "Fey Sale"). They successfully got several new breeders started through private treaty sales as well. Recognizing the importance of a high quality regional sale, they now gladly support the Oregon Trail Sale.

TIM & NICOLE CLARK • CLARK'S RANCH

Tim and Nikole Clark, along with their four children, Addyson, Jaxson, Kashton, and Laikyn, established Clark's Ranch in 2014. They are located just North of Roseburg, Oregon, in the heart of the Umpqua Valley. When they are not busy chasing kids and watching sports, they love spending time on the ranch with their Texas Longhorn herd, our two miniature donkeys, our miniature highlander and our Nigerian Dwarf goats!

ANGELA KNIGHT • EDY RIDGE LONGHORNS

Located in Oregon's stunning Willamette Valley foothills of Mt. Hood, family-ran Edy Ridge raises Registered Texas Longhorns with great genetics and disposition. ERR Merlin and Dolce Diablo are the cornerstones of our program. "Merlin" is a River Forks Hired Gun grandson who has given us nice horn base and a great eye catching Grulla tint in pasture. "Dolce", our junior bull, brings huge horn laid way back. His outstanding square body brings full package confirmation to our breeding program (and did I say he has horns for days?)

JASON HARDY • JH CATTLE COMPANY

Here at JH Cattle Company, we are dedicated to breeding the best animals possible. Having the best genetics is our goal, so if you're interested in high quality longhorn cattle for sale, check out our great selection of bulls, cows, heifers, and calves. We have been breeding Texas Longhorns now since 2017, however we have been around longhorns for several year's thanks to Kent Bladen. We'd like to thank Scott Pace and Megan Pace for helping us get our herd started and showing us the ropes. We have some exciting things going on this year. We are using embryos from one of our foundation females Riverforks Pearl Jam and placing them in 3 of our cows. We are also going to be using AI (artificial insemination) on several of our best cows. By doing this we will be breeding to some of the very best bulls in the nation! My daughter and I are working together to create an excellent herd for years to come.

COMMENTS: Lovely, well-built heifer with Peacemaker, Concealed Weapon, Fielder. She has a very pretty windswept horn set with twist, and measured 74.75" January (just a little over 3.5 years). She is an excellent mother; her first calf was large and very well fed on her perfect udder!
